PO Box 276
Coal City, IL 60416

Dear Sponsor:

Since formation in 1999 the Coal City Soccer Club (CCSC) has grown to over 500 players per year during two seasons; spring and fall. The Coal City Soccer Club is a non-profit organization offering recreational soccer to children from the age of 3 through 19.

In the last ten years, soccer has become a very popular sport in the area and the nation. Soccer allows any child, regardless of ability or skill, to participate in a sporting activity and learn valuable lessons in sportsmanship and teamwork.

The CCSC promotes good sportsmanship, the concepts of fair play and to maximize participation for all who wish to play the game. The CCSC also aims to develop and encourage positive sporting behavior among its members and players for the betterment of their physical and social well being. This goal is met through educating our players, coaches, and referees through various clinics and camps.

Through your sponsorship, the CCSC has been able to keep soccer affordable for our area youth. Without sponsors like you, many children would not have the opportunity to participate in this sporting activity. Your sponsorship is extremely important to our organization.

CCSC offers a variety of opportunities for sponsorship. Attached is an explanation of what your sponsorship money will provide for you.

We hope that you will review this attachment and assist us by choosing to sponsor our area youth in this sport.

If you have supported us in the past, Coal City Soccer Club would like to thank you for your support and we hope that we can count on your support again in the future years as we continue to grow. If this is your first time sponsoring with the Coal City Soccer Club, we appreciate your help and generosity and applaud your commitment to community.

If you have any questions in regards to sponsorship, you may contact me, Lisa French, to answer any concerns or questions you have. Thank you in advance for your support.

Sincerely,

Lisa French
